

REMARKS

Claims 61 and 63-69 and 71-90 has been rejected as being directed to non-statutory subject matter under 35 U.S.C. § 101. In accordance with the Examiner's kind suggestions, applicant has amended claim 61 to recite that "visibility data are stored in said database" and the client and consultant interfaces respectfully provide client and consultant computer access to the system over a network. Accordingly, applicant respectfully submits that the pending claims 6, 63-69 and 71-90 are directed to statutory subject matter and requests that this § 101 rejection be withdrawn.

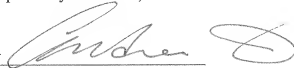

In view of the foregoing amendments and the remarks above, applicants believe all of the pending claims 61, and 63-69 and 71-90 are now in condition for allowance.
